Certificates: _____

Conditions

In return for the registration the applicant agrees to the following terms: **(INITIAL EACH CONDITION)**

1. I freely and voluntarily assume the risks of ultralight flight and I, or my heirs, promise to hold USUA and the USUA registered instructor(s) listed on this application harmless for injury or damage caused by my ultralight flying or instruction. Please register me as an ultralight pilot for the purpose of sport and recreational flying under FAR Part 103 and further instruction if I so desire. I certify that all statements made on this form are true and correct.
2. Never to bring suit or any legal action against the USUA with regard to any consequence which may occur as a result of this action.
3. To abide by all federal, state, and local regulations pertaining to ultralight flying.
4. To operate an ultralight only when no physical conditions exist that may interfere with safe piloting practices.
5. To report all accidents/incidents requiring medical aid for the pilot or substantial repairs to the ultralight to USUA.

I, _____, understand that ultralight flying is a potentially dangerous activity that can result in injury or death. EACH INDIVIDUAL PARTICIPANT, REGARDLESS OF EXPERIENCE, HAS FINAL RESPONSIBILITY FOR HIS OR HER OWN SAFETY. THE UNITED STATES ULTRALIGHT ASSOCIATION is a voluntary membership organization of the participants and supporters of ultralight aviation. USUA, AS A PRIVATE NON-REGULATORY ORGANIZATION WHICH HAS NO LEGAL AUTHORITY TO REGULATE OR CONTROL INDIVIDUALS OR CORPORATIONS, CANNOT BE HELD LIABLE FOR ANY FLIGHT OPERATIONS THAT RESULT IN INJURY OR DEATH TO ANY PARTY. All references by USUA to self-regulation refer to each individual person regulating or being responsible for him or herself. It is the responsibility of each student to ask whatever questions are necessary for him or her to have a thorough understanding of the actions and procedures that he or she must perform in order to make a safe flight. Each ultralight pilot has the responsibility to exercise certain practices and perform certain actions to maintain safety for himself or herself and for other people.

Registration of an ultralight pilot is based on certification by a USUA registered Instructor that the named pilot has successfully completed a written, verbal, and flight evaluation in accordance with the Federal Aviation Administration recognized USUA ultralight safety program which is based on standards contained in Federal Aviation Regulation Part 103 and Advisory Circular 103-1. Neither pilot nor Instructor registration is a statement of competency by the United States Ultralight Association.
