

Student Pilot

Registration Application and Liability Release

Safety Through Education

Before I fly in an ultralight-

I understand that ultralight flying is a potentially dangerous activity that can result in injury or death. EACH INDIVIDUAL PARTICIPANT, REGARDLESS OF EXPERIENCE, HAS FINAL RESPONSIBILITY FOR HIS OR HER OWN SAFETY. THE UNITED STATES ULTRALIGHT ASSOCIATION is a voluntary membership organization of the participants and supporters of ultralight aviation. USUA, AS A PRIVATE NON-REGULATORY ORGANIZATION WHICH HAS NO LEGAL AUTHORITY TO REGULATE OR CONTROL INDIVIDUALS OR CORPORATIONS, CANNOT BE HELD LIABLE FOR ANY FLIGHT OPERATIONS THAT RESULT IN INJURY OR DEATH TO ANY PARTY. All references by USUA to self-regulation refer to each individual person regulating or being responsible for him or herself. It is the responsibility of each student to ask whatever questions are necessary for him or her to have a thorough understanding of the actions and procedures that he or she must perform in order to make a safe flight. Each ultralight pilot has the responsibility to exercise certain practices and perform certain actions to maintain safety for himself or herself and for other people.

Student Flight Operations

Ultralight flight training is conducted in accordance with FAA Exemption 4274. This authority permits USUA Ultralight Instructors to give instruction in powered ultralight vehicles. FAA requires that the instructor inform each student that the flights are conducted under the exemption, and that the FAA does not establish certification standards for powered ultralight vehicles, pilots or instructors.

Conditions (INITIAL EACH CONDITION)

In return for the registration the applicant agrees to the following terms:

- _____ 1. I freely and voluntarily assume the risks of ultralight flight and I, or my heirs, promise to hold USUA and the USUA registered instructor listed herein harmless for injury or damage caused by my ultralight flying or instruction. Please register me as a USUA Student pilot for the purpose of instruction. I certify that all statements made on this form are true and correct.
- _____ 2. Never to bring suit or any legal action against the USUA with regard to any consequence which may occur as a result of this action.
- _____ 3. To abide by all federal, state, and local regulations pertaining to ultralight flying.
- _____ 4. To operate an ultralight only when no physical conditions exist that may interfere with safe piloting practices.
- _____ 5. To report all accidents/incidents requiring medical aid for the pilot or substantial repairs to the ultralight to USUA.
